

INSTRUCTIONS FOR WEARING ACADEMIC HOODS

1 Put hood on over head with velvet side up and with small tapered end in front.

2 Before closing gown, loop cord on front of hood over shirt / blouse button to keep hood from riding against wearer's neck.

3 Secure cord across the back to keep hood together. **DO NOT CONNECT HOOD TO THE GOWN.**

4 Turn out lining colors as illustrated.

Illustration shows a Doctor Hood. Master and Bachelor or Hoods are smaller but worn in the same manner.
